ABOUT THE FIRM

Sarson Funds, Inc. is an independent provider of blockchain technology and cryptocurrency marketing and educational services focusing on the financial professional community and their clients. In collaboration with our investment manager partners, Sarson Funds seeks to bring Wall Street standards for research, risk management and transparency to digital asset investing.

WHY THE SMALL COIN STRATEGY?

OUR EDGE

An exclusive network of blockchain analysts and cryptocurrency insiders provide our traders with a consistent informational advantage that enables early identification of disruptive and emergent projects across diverse industries and use cases.

METHODOLOGY

The strategy utilizes a multi-trader, rules-based portfolio construction process to build a diversified portfolio of small-cap cryptocurrency projects that have been identified as leading in a specific blockchain technology application industry vertical.

SECURITY

Security audits, position size limits, counterparty diversification requirements and independent administrators hallmark the Partnership's best in class risk management.
